Pavilion Gardens Orienteering

Your time, your pace, your adventure

Whether it's a walk with the family, exploring your local park, going as fast as you can or simply just adding variety to a walk or run. Orienteering could be just the challenge you are looking for.

Your mission is to reach checkpoints or 'controls' marked on a special orienteering map. The skill and fun comes from trying to find the best route to take.

Go in your time, go at your pace, go discover a whole new world of adventure in the park. Download a map: www.movemorehighpeak.co.uk/pavgardens/orienteering Or pick one up at the Leisure Centre.
